One, Two, Button My Shoe... Please

CANNIE — A tiny 3 month, old Chihuahua puppy, manages to get one paw into a woman's shoe. It's quite a tight fit, as you can see. There is only barely enough room left over for the entire pup.

A Long Journey Ends

Paralyzed victim of a holdup, in Edmonton, **RUDOLPH RUEER** is transferred by stretcher from an aircraft which flew him to Montreal. Rueer, who was accompanied by his wife, was shot in his garage last June, and Edmonton citizens collected \$9,000 to send him to Montreal for treatment. He made the 2,000 miles all-journey in a Trans-Canada Airlines North Star aircraft and now is at the Queen Mary Veterans Hospital.

A reluctant Chihuahua, (left), who answers to the name "Cannie", just doesn't seem a bit interested in getting into a shoe. While the other four little dogs of the same breed, (right), are happy to be in the Chicago home of their owner, Norman Bergen, George seems to be thinking of ways to get out.

Sandwich West Passes 3 Million Mark In 1952 Building

December construction in Sandwich West Township show a decrease of approximately \$33,000 compared with figures for the previous month, Nov.

Of the 15 permits issued by Sandwich West Building Inspector George Hooker, eight were for residences, valued at a total of \$78,750; one was for industrial, placed at \$4,500; and six miscellaneous constructions (alterations, additions, etc.) worth \$6,000; for a grand total for the month of \$89,250.

The totals show a drop of \$32,700 compared with November, when 16 permits valued at \$121,950 were issued. These were: 7 residential (\$77,000); 2 industrial (\$39,000); 4 garages (\$4,000); and 3 miscellaneous (\$1,350).

On an overall picture for the year, construction undertaken totaled \$3,274,200. Of the 460 permits making up this total for 1952, 289 were for residences (\$2,425,000); 32 commercial (\$269,250); 11 industrial (\$327,500); 4 institutional (\$99,000); and 124 miscellaneous (\$153,450).

This is less than half the figure for 1951, when figure was \$7,363,785. However, this figure is not to mislead or confuse the 1952 showing, since more than half of the 1951 figure came from the J. Clark Keith Steam Plant, valued at more than four million dollars.

Excluding this huge project, construction in 1951 and 1952 ran quite close together.

MONTHLY PERMITS

Over the 12-month period, June placed as high month with 86 permits totaling \$642,100. In second place was September,

Mrs. Wm. McCrone Passes at 72

Mrs. Fannie McCrone, mother of Peter McCrone of 4140 Kennedy Drive E., Sandwich West, passed away at Grace Hospital on December 27 in her 72nd year.

A resident of the Windsor district for 23 years, Mrs. McCrone was born in Newton-Stewart, Scotland, and lived in Paisley, Scotland before coming to Canada. She resided at 478 Randolph Street, and was a member of St. Andrew's Presbyterian Church.

Besides her son, Peter Mrs. McCrone leaves her husband, William; her father, Thomas Grandage; two sons, William and a brother, Ernest all of Scotland, and five grandchildren also survive.

Funeral services were held on December 30 from the Anderson Home, with the Rev. Norman Bergen, George seems to be thinking of ways to get out.

Funeral services were held on December 30 from the Anderson Home, with the Rev. Norman Bergen, George seems to be thinking of ways to get out.

with 59 permits valued at \$592,052. A complete breakdown for the year with the number of permits issued monthly is as follows:

January 4, February 15, March 17, April 43, May 40, June 86, July 58, August 65, September 59, October 47, November 16, and December 15.

FORESEES CONTINUED GROWTH

With 289 of the 460 permits issued last year being for residences, Mr. Hooker foresees a continued pace in construction in the township, with probably 200 more homes to be built than in 1952, bringing the 1953 number of residences close to 500.

Annual Vestry Meeting

The annual vestry meeting of St. Andrew's Memorial Church, LaSalle, was held in the basement of the church on Tuesday evening. As the newly appointed rector, the Rev. G. L. Vogan will not take up his duties until

Ph. Anne O'Gorman, High Single, Ga.

The following officers were elected for the year: Rector's Warden - Mr. E. J. Dawson; People's Warden - Mr. John Jenking; Treasurer - Mr. J. A. Cornett; Vestry Clerk - Mr. Frank Allen; Envelope Secretary - Mrs. Leonard James; Lay Delegates to Synod.

Mr. E. Dawson, Mr. John Jenking - Substitute Delegates. Mr. H. H. Cooper, Mr. F. R. Anderson - Auditors.

Mr. R. H. Peck, Mr. Ernest Lififton - The Board of Management. Mr. Fred Wright, Mr. F. R. Anderson, Mr. J. W. Cochran, Mr. H. H. Cooper, Mr. Robert Humley, Mr. T. J. Hayward, Mr. Herbert Silk, Mr. Ernest Lififton, Mr. R. E. Grouding, Mr. R. H. Peck. Parish Representative - Mr. I. W. Cochran. Director of Sedman Committee - Mr. F. R. Anderson - Press Reporter - Mrs. E. J. Dawson.

Reports of the various organization in the church were given. Plans were made for a new rectory to be built in the near future.

A delicious lunch was served by the Women's Guild, and the meeting was closed with the benediction by Rev. B. A. Silcox.

P.U.C. Hold Special Meeting

Special meeting of the Public Utilities Commission called by the Chairman this 12th day of January, 1953. The following members were present: Chairman F. R. Anderson, George Henderson and Herbert Runstetter. The purpose of the meeting was to discuss, approve or disapprove the hydro rate changes proposed by the HEPC. After much discussion and due to a 15% increase in cost of power purchased, the possible loss in revenue of the annual refund or 13th Power Bill would amount approximately 9%. In Mr. Saunders radio address on October 29th, 1952, and we also quote from a letter received from H.E.P.C. under date of October 30th, 1952, advising us of the new interim rate to be applied January 1st, 1953:

"This interim rate has been closely calculated in relation to anticipated costs and if these costs take an unexpected adverse turn, even of the order of 2 per cent, 2 13th debit bill may be necessary."

In order to continue efficient operation of our system, plus

no other the H.E.P.C. proposal to increase our rates. The Utilities Commission has agreed to increase the rates by approximately 15 per cent, effective 1st, 1953 as follows:

DOM. TIC: 40 KWH per month - from 4.2 to 4.8 per KWH.

COMMERCIAL: Service charge to remain as in 1952 1st 100 hrs. use - from 3.7 to 4.1 per KWH.

2nd or remaining use - from 1.1 to 1.5 per KWH.

FLAT-RATE WATER HEATER: From 46¢ per 100 wats per month to 52¢ per 100 w per month.

STREET LIGHTS: 100 watt lights from \$13.50 to \$15.50 per light per year. 200w lights from \$17.00 to \$19.50 per light per year.

Above rates were unanimously adopted at meeting of the Commission held on January 12th, 1953.

On motion by G. Henderson seconded by H. Runstetter, the Chairman was given permission to issue cheques between Commission meetings in order to save interest charges on HEPC current invoices and power accounts. Motion Carried.

Meeting adjourned to January 26th, 1953 at 8:00 P.M.

Birth

Mr. and Mrs. Donald Reaume of Gladstone Avenue, LaSalle, are happy to announce the birth of a daughter, on Saturday, January 3 at 1:15 P.M.

South Windsor Kiwanians Review Year

At their first meeting for the new year, the South Windsor Kiwanis Club installed their 1953 executive into office, with Mr. Lyle Alexander, Lieutenant-Governor for Division 2 of the Ontario, Quebec and Maritimes district presiding.

Installed as the new president was last year's vice-president, W. Doug Clarke; last year's president and now immediate past president, Bern Snowden; first vice-president, Leonard Cornutt; second vice-president, George Maxwell; Treasurer Charles Gress; and Secretary Don McDonald.

Also put into office were the eight members of the Board of Directors; William Moggridge, Howard Sandwich, Claude Tyrell, Eric Woltz, Percy McKee, Bill Hamell, Archie Gignac and Murray Ross.

The club, which celebrated its first anniversary on December 17th, has had a marvelous year for the short period of its formation and if everything continues in 1953 as it did last year, the overall picture looks very promising indeed.

The club last summer sent 48

ADMIRAL EARL MOUNTBATTEN, who has been named Commander-in-Chief of all but U.S. naval forces in the Mediterranean.

MICHAEL HAPALO, 28-year-old Polish born refugee who was turned out by France for resistance work, has been aboard Cunard Stranmillis and passenger ship since Canada and Britain refused him permanent entry. The company is responsible for him since he first came to Canada last year with a six-week contract.

Firing Line

Through hospital expense of \$110 were paid for a child under privileged child.

To wind up the season, 93 children at the first of 1953 is to be an annual Christmas party. The 48 youngsters for summer camp, their brothers and sisters between the ages of 6 to 12, and 23 wards of the Children's Aid Society were in attendance. So successful was the evening that the club members decided to make it an annual affair.

The same projects as in last year are anticipated for 1953.

Mr. Albert Reaume Recovers From Illness

After a short illness at home, Mr. Albert Reaume of Front St. LaSalle has recovered and is up and around again, but a little too late to enjoy any of the season festivities. He took ill the day after Xmas and was in bed until the end of the following week, which caused him to miss out on a lot of the regular Christmas and New Year activities.

One consolation, though, he and Mrs. Reaume had with them Christmas day, all members of the family with their children.

Optimistic View For Sandwich West.

A previewed look into the 1953 building program for Sandwich West looks promising indeed, with new homes to be undertaken expected to reach an all-time high.

Building Inspector George Hooker said last week he estimates that 500 new residences will be built during the next 12 months, with a good percentage of them being built by housing development firms.

Plans have been laid by Economy Home Builders for the construction of 100 homes on Dominion Boulevard and 20 on Grand Marais Road.

The Morris Construction Co. is contemplating on developing a new street in the township, with plans for 57 new units.

In both cases, Economy and Morris will install and finance all local improvements, including watermains, sanitary and storm sewers, and pavement.

While nothing is definite at this time approval for additions to two public schools is pending in Toronto, having been passed by the Sandwich West Public School Board.

Council Department Heads Named

Main item on the agenda of the LaSalle 1953 Council inauguration meeting on January 5 was the appointment of the various chairmen to head the different town hall departments.

In each case, with the exception of the police commission, the departments have a permanent chairman, with each chairman having a fellow councillor for an assistant. Third man to sit in each body is the mayor, Herbert Runstedler.

In the Finance and Assessment Department, Councillor Leonard Marcin was named chairman to be assisted by Councillor G. B. Reaume.

Reeve Albert Nutkins will preside over the Public Works Department again this year, assisted by councillor Verol Lovell.

Chairman of the Fire, Lighting and Property Committee is Councillor Reaume, with councillor Martin assisting.

The Parks Department will be headed again this year by councillor John Trotter, assisted by Councillor Ted Clarke.

No chairman was named for the Police Committee, nor is it expected that any councillor will preside over this department. The committee will be under the joint chairmanship of councillors Lovell and Clarke.

M.O.H. Re-Appointed

Dr. Edward Hutchinson of Amherstburg, Medical Officer of Health for LaSalle for many years, has been reappointed by the 1953 Town Council to continue to serve in that capacity. He was appointed at the council inauguration meeting.

At the same time, council named Councillor Gordon B. Reaume as the town's member to sit on the local district's health board.

Rev. George Vogan Named St. Andrew's Rector

Beginning February 1st, Rev. George Douglas Vogan will resume his duties as rector of St. Andrew's Memorial Church, the Anglican having been made applicable by Rt. Rev. G. N. Luxton, D. Bishop of Huron.

Rev. Vogan, who succeeded Rev. J. Newell, who left several years ago for Montreal, was born graduate of the University of Western Ontario and is a Western Ontario and city of London. He was ordained into the ministry in 1951.

He is at present, rector of the parish at Gorrie, Pe. Wroter.

Return to Quebec

Mr. and Mrs. Louis Mayrand of St. Dorothy, Quebec, with their daughter Paulette, have returned to their home after visiting relatives and friends during a two-week stay at the Christmas season.

Both former residents of this district, they visited Mrs. Mayrand's parents, Mr. and Mrs. Lawrence Brunet of the Front Road, Sandwich West, and Mr. Mayrand's parents, Mr. and Mrs. Adolphe Mayrand of the Front Road, LaSalle.

Guides Meet

The LaSalle Girl Guide Association met for their regular meeting on January 14 in the Council chambers of the Town Hall.

Guide Commissioner Post Vacant

With the resignation, the District effective on January 31, the post is now open for someone to replace her.

While Mrs. Bondy is at present, commissioner for the area of LaSalle, River Canard and Amherstburg, the person filling the position will not be in charge of River Canard, as this district was transferred to the Sandwich West Area.

Mrs. John Wells In Hospital

Mrs. John Wells, wife of the LaSalle Fire Chief, is in the St. Andrew's Memorial Hospital recuperating from an operation shortly after New Years day. It is not known how long Mrs. Wells will be in bed, but we, along with friends and neighbours wish her a speedy recovery.

A good portion of LaSalle Hockey fans turned out at the Windsor Arena last Tuesday night to see our local boy Marc Reaume perform with the St. Mike's team. Marc is doing a mighty fine job on defence and Mike's won over skating 3-1.

By-Law 305 To Be Enforced in LaSalle

A by-law to authorize the licensing of dogs and to prohibit the running of dogs at large in the Town of LaSalle.

Whereas the council of the Town of LaSalle deems it advisable to have the authority to place a dog tax and to restrict the running of dogs at large in the Town of LaSalle.

NOW therefore the Municipal council of the town of LaSalle enacts as follows;

1. That the council be authorized to require all dog owners in the Town of LaSalle to obtain a license to own the said dog and to charge a fee for issuance of this license. The said fee to be determined by the council from time to time.
2. That no dogs be allowed to run at large in any street, lane, alley, park or other public place within the said municipality. Any dog will be deemed to be running at large which is not under the control of its owner or agent of the owner.
3. That all dogs running at large shall be captured and disposed of as hereinafter provided.
4. That it shall be the duty of the chief constable and his officers to apprehend any running at large.
5. Journey to Sandringham

QUEEN ELIZABETH, PRINCESS MARGARET and the Queen's two children, PRINCE CHARLES and PRINCESS ANNE, arrive at King's Cross station, London, by car, enroute to Sandringham where they spent the Christmas holiday. Christmas

ny the Queen made her first radio broadcast since ascending to the throne. They were accompanied on the journey by DOWAGER QUEEN MARY, shown, below, arriving at the station.

A "Shepherd" and Her Flock

PRINCESS, a 10-year-old German shepherd dog, owned by Larry Siegler, Jr., of Louisville, KY, relaxes in the sun but keeps an ear peeled for complaints from her litter of 11 puppies lined up on the wall. Princess had 12 pups but one died.

Nips at Chimp's Lunch

Taking advantage of their friendship, this cat forgets its table manners and digs into the lunch of HULA, a four-year-old chimpanzee in the

Nuernberg, Germany, zoo. The cat, a zoo hanger-on senses Hula's good nature and shares her food with impunity.

Slick Trick in Korea

Downs, with their paddy somewhere in South Korea. The sleds are propelled with sticks having spikes protruding from the ends.

Children Asked To Make Use of Sidewalks

Children are asked to please use the sidewalks going to and from school. The use of the Highway is for vehicles only. Pedestrians use highway at their own risk. It is a miracle that accidents are not more numerous on No. 18 highway through LaSalle, such as the few very sad accidents which took place in the past couple years. It has been reported to the LaSalle Police by out-of-town and local motorists, that they should warn the children.

The schools have been asked to cooperate by warning the children.
